Dear Sir/Madam

Please find attached a submission into the current Australia Law Reform Commission Inquiry into client legal privilege in Federal investigations.

Civil Liberties Australia (CLA) is a no political partisan organisation committed to protecting and advancing civil liberties and human rights and responsibilities. It aims to act as a watchdog, catalyst, publicist and educator in relation to these objectives. CLA aims to bring to public notice instances or situations which may involve infringements of, or undue restrictions on, civil liberties or human rights and responsibilities, or the inequitable treatment of persons, groups or classes of people.

If CLA can be of any further assistance to the commission in its deliberations, please do not hesitate to contact us.

Yours sincerely
